LEAGUE UPDATE

This week saw our Div 1 Ladies Team kick off the season with a 3-0 win (final match to be continued).

Rain stopped our Div 2 Ladies Team playing their first fixture, meaning their first match will take place on Sun 19th April instead.

Both our Mens Teams start their season on Wed 22nd April.

Good luck all!

WELCOME TO APRIL

Over the last weeks, we've glimpsed the sun and all 3 courts filling up once more. Looking ahead, May will see some exciting additions to the club. You might want to sit down for this one...

With the move into April, we've seen lighter evenings and a real sense of energy building at the club. Plenty is happening this month, from the start of the North Wales Summer League and preparations for the Summer Social in May, to new club kit, to a strong focus on safeguarding.

LOOKING SHARP

The new kit has had a fantastic response from members and is looking great on court—we're starting to wonder if we've accidentally become the best-dressed club in the county!

Want to order some of the new kit?
Click [here](#) and fill out the form by 24th April

NEW! KIDS HUB

SPARK JUNIOR ACTIVITY

At the beginning of this month, club coach Michaela arranged one of her junior groups to meet with our Welfare Officer, Mags Abbott, to ensure everyone was familiar with our safeguarding messages. The group were given a SPARK colouring sheet and wordsearch activity to complete, and as a reward for their great effort, all participants were given a SPARK keyring. Many thanks to Michaela & Mags.

Our dedicated Safeguarding Team has now introduced and is continuing to develop an LTA Kids Hub at the club, working closely with our new Young Person Welfare Ambassador (YPWA), Sam Howard. As part of this rollout, a dedicated notice board has been set up in the clubhouse to help keep juniors, parents, and members informed about safeguarding at the club. In addition, a direct link to the Kids Hub has been added to the club website, making it easier than ever to access key information and resources.

The Kids Hub has also introduced the LTA's friendly safeguarding character, **SPARK**, who will help bring important safety messages to life for younger players in a clear and engaging way. Keep your eyes peeled for more details about SPARK and upcoming Kids Hub activities.
