LEAGUE UPDATE

Our North Wales Summer League teams are now starting to head into their last matches of the season. At the time of writing, both Ladies teams are top of their respective divisions, and our Mens teams have seen themselves play some impressive matches!

For regular updates, follow us on Instagram & Facebook:

JULY ON COURT

As we head into the height of summer, there's been plenty happening around the club. We're delighted to have passed our Safeguarding Audit with flying colours in June - a fantastic achievement that reflects the hard work and commitment of everyone involved. The end of June

also saw a brilliant Pride-themed social, bringing members together on a gorgeous evening. Moving into July, we were delighted to welcome Pen-y-ffordd Brownies to the club for an exciting tennis session, run 2 themed doubles coaching sessions available to all members, and watch plenty of hotly contested league matches being played.

PRIDE CELEBRATIONS

Members recently came together for a Pride-themed social, wearing their most colourful sports clothes as they played in the sunshine. There was a selection of colourful treats on offer afterwards, and £60 was raised for Nightingale House Hospice, our charity of the year. We even made it onto the LTA website! Click [here](#) to read more.

THE TENNIS WALES AWARDS 2027

SAFEGUARDING AUDIT 2026

We're delighted to share that last month, the club passed its Safeguarding Audit. Pen-y-ffordd LTC was praised for embracing the Tennis Wales safeguarding mascot, **Spark**, for the work with our Young Person's Welfare Ambassador, and for our safeguarding provision both online and in and around the club. An enormous thank you goes to Mags Abbott and Nigel Owen for all of their time and effort. As noted in the audit, **"The welfare officers at the club have done an exceptional job of bringing safeguarding to life in a small community club."**

Thank you also to everyone who has played a part in ensuring our club remains a safe and inclusive place for all.

The **2027 Tennis Wales Awards** are now open for nominations, celebrating the outstanding people, clubs and volunteers who make tennis across Wales so special. Categories include Volunteer of the Year, Club of the Year, Young Person of the Year, and many more.

As the proud winners of the 2026 Club of the Year award, we know firsthand what a meaningful achievement this is. Being recognised for the dedication, hard work and passion of everyone involved has had a hugely positive impact on both our members and the wider community.
